

16' Backbone

Super Skiff Tiller & Renegade Tiller

Highly Durable and Dependable

The 16' Backbone Tiller series leverages a fifty year heritage of precision custom boat building to deliver durability and dependability at a value that everyone can appreciate. The no frills design delivers solid performance and safety to bring you years of rewarding boating and fishing experiences.

High performance hull design with integrated spray rails to keep you comfortable and dry.

Integrated toe rail helps keep your fly line from blowing overboard.

Efficient layout accommodates up to 6 rods and all your gear.

100% wood free closed cell foam and composite construction with 10 Year Hull Warranty.
